EXPLANATION OF RECORD

THE UNIVERSITY OF OKLAHOMA

FICE CODE 3184

The University of Oklahoma is accredited through The Higher Learning Commission

CREDIT:

The unit of credit is the semester hour. All course work on the record is residence credit unless otherwise indicated. Each course taken at the University of Oklahoma, whether passed, failed, or repeated is included on the Student Record. Level of credit is determined by course number. Credit transferred from a junior college is accepted to meet lower division requirements only.

COURSE NUMBERING:

Prior to 1970, courses numbered 1-99 were for Freshmen and Sophomores; 100-199 for Juniors and Seniors; 200-299 for Upper Division undergraduate and Minor graduate credit; 300-399 for Advance undergraduate and Major graduate credit; and 400-499 for Major graduate credit. Effective fall semester, 1970, courses numbered 0000-0999 indicate Remedial work (no college credit); 1000-1999, Freshman level; 2000-2999, Sophomore level; 3000-3999, Junior level; 4000-4999, Senior level; 5000 and 6000, Graduate level.

SYMBOLS:

Parenthesis () around credit hours indicate no credit. P indicates credit for a Pass / No Pass option enrollment. NP indicates no credit for a Pass / No Pass option enrollment. E following course title indicates Extension credit. CE following the semester year indicates Continuing Education student. H Honors = degree with High Honors, Hst Hon = with Highest Honors, Dist = with Distinction, SP Dist = with Special Distinction, Gen Hon = General Honors, Honors = with Honors, Sum Laud = Summa Cum Laude, Mag Laud = Magna Cum Laude, Cum Laud = Cum Laude.

ACADEMIC FORGIVENESS: (Effective Fall 1992)

Courses identified by an #, ^, @ are not used in calculating the retention/graduation grade point average, but they are used in calculating the cumulative grade point average.

COURSE LOAD:

Twelve semester hours during a regular fall or spring semester and six semester hours in a summer session constitutes full-time enrollment for the undergraduate student. Full-time status for the graduate student is nine semester hours during a regular fall or spring semester and four semester hours in a summer session.

INTERPRETATION OF GRADES

A = Excellent, B = Good, C = Average, D = Poor, F = Failing, I = Incomplete, AW = Admin. Withdrawal, W = Withdrawn, S = Satisfactory, U = Unsatisfactory, P = Pass, NP = No Pass, AU = Audit, X = Work in Progress, E = Conditional, WF = W Failing, N = No Report

GRADE POINTS/GRADE POINT AVERAGE:

Prior to 1950-51, with the exception of Law and Medicine, grade points were calculated as follows: A = 3, B = 2, C = 1, D, E, F, WF = 0. Since 1950-51, grade points are calculated as follows: Each hour of A = 4, B = 3, C = 2, D = 1, and F, WF = 0. The College of Law is on a 12 point grading system and plus and minus signs are used as follows: A+ = 12, A = 11, A- = 10, B+ = 9, B = 8, B- = 7, C+ = 6, C = 5, C- = 4, D+ = 3, D = 2, D- = 1, F = 0. Plus and minus signs were not posted on the student's academic record prior to 1976. No cumulative GPA's are computed for Graduate or Special Students.

NORMAN/OKLAHOMA CITY CAMPUSES:

Professional work completed in the colleges of Dentistry and Medicine located on the Oklahoma City campus does not appear on a Student Record issued from the Norman Campus. Effective fall semester, 1979, the Norman campus Admissions and Records office discontinued posting in detail course work completed by students enrolled in other colleges on the Oklahoma City campus. Complete records of such work must be obtained from the Health Sciences Center on the Oklahoma City campus.

EXTENDED CAMPUS PROGRAMS:

The College of Professional and Continuing Studies (PACS) offers both undergraduate and graduate degrees in a variety of program areas. All programs are centered around an interdisciplinary core of study from which further specialization is then pursued. Some of the program tracks a student may pursue include administrative leadership, criminal justice, museum studies, prevention science, health & human services administration, or liberal/integrated studies with a concentration in social sciences, natural sciences, or humanities. The listed course prefixes denote specific tracks within PACS and instructional delivery focuses on active learning through online, hybrid, and face to face formats.
